EXAMPLE STUDIO - FICTIONAL WEBSITE SERVICES AGREEMENT

This document is synthetic QA data. It contains no real client information and is not legal advice.

1. Engagement: Design and build a responsive restaurant website with a homepage, menu, contact page and photo gallery.

2. Included deliverables: Homepage copy edits and gallery image replacement are included. The studio will deliver a contact form.

3. Review process: The client supplies final approved materials and consolidated feedback. Two review rounds are included.

4. Delivery record: The client nominates one representative to consolidate comments and approve each delivery milestone in writing.

5. Delivery record: The studio maintains an agreed delivery schedule. Delays in receiving client materials require a revised schedule approved by both parties.

6. Delivery record: The client confirms ownership or permission to use supplied photographs and written materials. Final assets are reviewed before publication.

7. Delivery record: Either party can raise a concern through the nominated representative. The parties record any agreed change in a written change notice.

8. Delivery record: Confidential draft materials remain restricted to the engagement. The client reviews a preview and supplies a consolidated list of corrections.

9. Delivery record: Any new deliverable requires written confirmation of requirements, responsibilities and the estimated completion date before work starts.

10. Delivery record: The client nominates one representative to consolidate comments and approve each delivery milestone in writing.

11. Delivery record: The studio maintains an agreed delivery schedule. Delays in receiving client materials require a revised schedule approved by both parties.

12. Delivery record: The client confirms ownership or permission to use supplied photographs and written materials. Final assets are reviewed before publication.

13. Delivery record: Either party can raise a concern through the nominated representative. The parties record any agreed change in a written change notice.

14. Delivery record: Confidential draft materials remain restricted to the engagement. The client reviews a preview and supplies a consolidated list of corrections.

15. Delivery record: Any new deliverable requires written confirmation of requirements, responsibilities and the estimated completion date before work starts.

16. Delivery record: The client nominates one representative to consolidate comments and approve each delivery milestone in writing.

17. Delivery record: The studio maintains an agreed delivery schedule. Delays in receiving client materials require a revised schedule approved by both parties.

18. Delivery record: The client confirms ownership or permission to use supplied photographs and written materials. Final assets are reviewed before publication.

19. Delivery record: Either party can raise a concern through the nominated representative. The parties record any agreed change in a written change notice.

20. Delivery record: Confidential draft materials remain restricted to the engagement. The client reviews a preview and supplies a consolidated list of corrections.

21. Delivery record: Any new deliverable requires written confirmation of requirements, responsibilities and the estimated completion date before work starts.

22. Delivery record: The client nominates one representative to consolidate comments and approve each delivery milestone in writing.

23. Delivery record: The studio maintains an agreed delivery schedule. Delays in receiving client materials require a revised schedule approved by both parties.

24. Delivery record: The client confirms ownership or permission to use supplied photographs and written materials. Final assets are reviewed before publication.

25. Delivery record: Either party can raise a concern through the nominated representative. The parties record any agreed change in a written change notice.

26. Delivery record: Confidential draft materials remain restricted to the engagement. The client reviews a preview and supplies a consolidated list of corrections.

27. Delivery record: Any new deliverable requires written confirmation of requirements, responsibilities and the estimated completion date before work starts.

28. Delivery record: The client nominates one representative to consolidate comments and approve each delivery milestone in writing.
